

# First Nordic Announces Filing of Final Base Shelf Prospectus

**TORONTO**, **ON**, **April 17**, **2025** – **First Nordic Metals Corp.** ("FNM" or the "Company") (TSX.V: FNM, OTCQB: FNMCF, Germany: HEG0) is pleased to announce that the Company has filed a final short form base shelf prospectus (the "Base Shelf Prospectus") with the securities commissions in each of the provinces and territories of Canada.

The Base Shelf Prospectus will allow the Company to offer and issue, from time to time, up to CDN\$100,000,000 of common shares, debt securities, subscription receipts, warrants and units (comprised of one or more of the foregoing securities) during the 25-month period that the prospectus remains effective.

Filing the Base Shelf Prospectus provides the Company with enhanced financial flexibility, allowing it to efficiently access capital markets as opportunities arise and market conditions permit. The specific terms of any future offering under the Base Shelf Prospectus will be determined at the time of such offering and disclosed in a corresponding prospectus supplement, which will be filed with applicable Canadian securities regulatory authorities.

A copy of the Base Shelf Prospectus and the final receipt in respect thereof received from the British Columbia Securities Commission today is available under the Company's profile on SEDAR+ at <a href="https://www.sedarplus.ca">www.sedarplus.ca</a>.

This news release does not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which an offer, solicitation or sale would be unlawful prior to registration or qualifications under the securities laws of any such jurisdiction.

## **ABOUT FIRST NORDIC METALS**

First Nordic Metals Corp. is a Canadian-based gold exploration company, consolidating assets in Sweden and Finland, with a vision to create Europe's next gold camp. The Company's flagship asset is the Barsele gold project in northern Sweden, a joint venture project with senior gold producer Agnico Eagle Mines Limited. Immediately surrounding the Barsele project, FNM is 100%-owner of a district-scale license position comprised of two additional projects (Paubäcken, Storjuktan), which combined with Barsele, total approximately 100,000 hectares on the Gold Line greenstone belt. Additionally, in northern Finland, FNM is the 100%-owner of a district-scale position covering the entire underexplored Oijärvi greenstone belt, including the Kylmäkangas deposit, the largest known gold occurrence on this belt.
