

First Nordic Engages Marketing Services

Toronto, ON – February 6, 2025 – First Nordic Metals Corp. (the "Company" or "FNM") (TSX.V:FNM, OTCQB:FNMCF, FRA: HEG0) announces that it has entered into an agreement on January 20, 2024 (the "Agreement") with Sideways Frequency LLC ("SFL") to provide marketing services.

SFL is in the business of preparing, from publicly available information, advertisements which shall consist of building profiles of the Company, disseminating information and building a digital community of potential investors for the Company.

Under the terms of the Agreement, such marketing services are to be provided over the first quarter 2025. The Company will compensate SFL USD\$200,000. The Company will not issue any securities to SFL as compensation for the services. As of the date hereof, to the Company's knowledge, SFL (including its directors and officers) does not own any securities of the Company and has an arm's length relationship with the Company.

OTC Request to Comment on Promotional Activity

FNM was requested by OTC Markets Group Inc. ("OTC") to comment on the SFL promotional activity concerning its common shares traded on the OTCQB market (operated by OTC Markets). On February 3, 2025, OTC Markets informed the Company that it became aware of certain promotional activities concerning the Company and its common shares traded on the OTCQB market, including the distribution of a promotional newsletter email published by SFL, discussing the Company, its investors, management team and exploration and development strategies.

The Company became aware of the distribution of the newsletter on February 3, 2025, the same day its distribution began. The Company paid for its distribution pursuant to the agreement with SFL noted above. The Company provided SFL with publicly available sources of information, and the only editorial control the Company exercised over the materials involved was reviewing the materials for accuracy regarding the Company. The Company does not believe the statements in the promotional materials were materially false or misleading. The Company does not believe this promotional activity resulted in a material increase in trading activity in the common shares beginning on February 3, 2025.

Other than SFL and the third-party service providers noted below, no directors, officers or control persons have been involved with the creation, distribution or payment of promotional materials related to the Company and its securities. To the best of the Company's knowledge after due inquiry, no directors or officers of the Company nor third-party service providers have purchased or sold securities in the marketplace within the past 90 days. The Company has engaged the following third-party service providers to provide marketing and automated market making services or other related services within the last twelve months: RMK Marketing Inc. and ICP Securities Inc.

The Company has not at any point issued shares or convertible instruments allowing conversion to equity securities at prices constituting a discount to the current market rate at the time of issuance.

About First Nordic Metals

First Nordic Metals Corp. (FNM) is a Canadian-based gold exploration company, consolidating assets in Sweden and Finland, with a vision to create Europe's next gold camp. The Company's flagship asset is the Barsele Gold Project in northern Sweden, a joint venture project with senior gold producer Agnico Eagle Mines Limited. Immediately surrounding the Barsele project, FNM is 100%-owner of a district-scale license position comprised of three additional projects (Paubäcken, Storjuktan, Klippen), which, combined with the Barsele Project, total 104,000 hectares on the Gold Line belt. Additionally, in northern Finland, FNM is the 100%-owner of a district-scale position covering the entire underexplored Oijärvi Greenstone belt, including the Kylmäkangas deposit, the largest known gold occurrence on this belt.
